

Dear Parents/Carers,

It has been another busy week at Hellingly—I think the highlight has been the scrumptious milkshakes which Stars Class have been selling at breaktimes. They haven't yet given me the total raised towards their class trip to see War Horse but the milkshakes were certainly very popular!

Around the school, the children are working hard at their learning. It has been a particular joy to see how the children are enjoying their Accelerated Reader time—they have been so settled and just enjoying their time with a good book!

Have a wonderful weekend.

Labelling clothes

Please remember to check that you have labelled all your child's clothes so that they can be reunited.

Yr 3—Yr 6 children must remember their dinner money either cash or via ParentPay.

Marvellous Milkshakes

Year 6 Stars Class ALL worked very hard at their enterprising idea to sell milkshakes to raise money towards their class trip. They researched this themselves, calculated their potential profit margins, and organised the sales so that the children throughout the school could purchase and enjoy—with the optional extra of marshmallows, yummy!
