

Dear Parents/Carers,

This week I have had the absolute pleasure of being away on residential with the wonderful Planets Class. They really have made me proud with their attitude and they have been such fun to spend time with! I know that many of you have been following their adventures on the school facebook page but there are some photos below to give you all a snapshot of their time at Hindleap Warren.

Back at school, it has been a real pleasure to welcome our newest members of the Hellingly family in to school this week, with our September 2018 Reception pupils visiting us for their first taste of life in the Galaxies classroom. At the other end of the school, rehearsals are well underway for the Year 6 production of 'Wind in the Willows' and I know how hard the children have been working on lining their lines. They even made time to fit in a trip to Knockhatch where they had a skiing lesson. Year 4, as well as presenting an amazing celebration assembly, have been working hard on the concept of 'democracy' - I know they have enjoyed working on this important idea and exploring alternative points of view.

Best wishes
Mrs Ward

Hellingly House Teams Term 6 Week 3

Louis Smith  Commitment Stars 764	Andy Murray  Commitment Stars 767	Mo Farah  Commitment Stars 773	Charlotte Dujardin  Commitment Stars 761
---	--	--	---

Asteroids 98%

Stars 99.67%

Marvelous Meteors

We were all wowed by Meteors class and their amazing assembly this week. Such confident presentation too—they really are a class to be truly proud of. It was a real treat for us to share their celebration of their learning. Well done!

Hindleap Adventure

It has been such a pleasure to spend the week with our phenomenal Planets Class and to be a part of their big adventure! The children behaved beautifully and really represented the school well—as ever! We have experienced so much together over the last week and it has been a joy to celebrate their many achievements. Well done, Planets!
