# After School Clubs Terms 1 & 2

We, the adults responsible for children at home and at school want Hellingly Community Primary School to provide a safe, supportive and stimulating learning environment, in which each child is treated as an individual and the needs of all are considered.

We will encourage children to work hard, to behave appropriately, and to take pride and pleasure in their own and others' achievements.

We look forward to working together respectfully to help our children become confident, resourceful and enthusiastic learners.
