

Dear Parents/Carers,

We have gone from torrential rain to beautiful sunshine this week and it has been a pleasure to watch the children come in with their big smiles and enthusiasm to tackle their learning throughout both. I would like to say a particular well done to our wonderful Year 6 Stars who have been working hard all year and will get to show off all their learning in their SATS tests next week. We are truly proud of each and every one of our amazing Hellingly children throughout the whole school and I know that our Year 6 pupils will tackle next week with their usual determination to do their best and to look after each other. Stars by name and Stars by nature!

Best wishes, Mrs Crawford

### Attendance

Gold 100%	Silver Above 98%	Bronze Above 96%
Milky Ways	Comets Metereors Planets Stars	Satellites

A huge well done to Milky Ways class this week!

### Hilly's Life

Our most popular member of the school community continues to enchant the children. This week, she hit Instagram and is recording her adventures and how she is settling in and getting to know her new hamster mansion (a rather large new cage!). Thank you to Mrs Hedges for helping Hilly become a star!

### PTA at the Bluebell Walk

A huge thank you to all those parents who have given up so much time to support the Bluebell Walk. Mrs Owbridge and I had the absolute pleasure of attending this morning and it was such a lovely atmosphere, staffed by such amazing volunteers and in a truly beautiful setting. Thank you to those who baked cakes and have worked so hard to organise the cafe and the fundraising which all goes back to the children. This is all much appreciated - we are so lucky to have such a dedicated and active PTA working tirelessly for the children. And the Bluebell Walk is definitely worth a visit.

### Upcoming dates for your diaries
